Licence fees for the use of ISO Standards in an internal company network

Permission is granted to store ISO Standards within an internal company network upon payment of the following annual licence fees, which will be invoiced by Beuth Verlag. Licence fees depend on the number of Standards, the number of sites accessing the network, and the number of users who can access the documents simultaneously (simultaneous users). If these parameters change, the Licensor can adjust the licence fee accordingly. The Licensee is obligated to provide the Licensor with all relevant on an annual basis.

Licence fee does not include delivery of documents.

The electronic ISO Standards will be used as follows (please tick appropriate box):

- at a single workstation
- in a network:
- number of Standards _____
 - number of simultaneous users _____
 - number of sites _____

With your order, you accept the [General Terms and Conditions of Beuth Verlag GmbH](#) (including the Additional Terms and Conditions applicable for the ordered product). Please note our [privacy policy](#).
