

Licence fees for using VDI Guidelines in in-house networks

Permission to store VDI Guidelines in an in-house network and reproduce them for in-house purposes is dependent on payment by the Licensee of annual licence fees according to the following table. These licence fees are levied by Beuth Verlag. They are dependent on the number of VDI Guidelines stored and the number of employees. If these parameters change, the Licensor can adjust the licence fee accordingly. The Licensee is obliged to provide the Licensor with the appropriate information each year.
