Licence fees for use of ISO Standards in internal company networks

Permission is granted to store ISO Standards within an internal company network upon payment of the following annual licence fees, which will be invoiced by Beuth Verlag. Licence fees depend on the number of documents, the number of sites accessing the network, and the number of users who can access the documents simultaneously. By changing these parameters the Licensor can adjust these fees. The Licensee is obligated to provide the Licensors with all relevant information on an annual basis. Licence fee does not include delivery of documents.

The electronic ISO Standards will be used as follows (please tick appropriate box):

- Single-user
- Network: No. of documents _____ No. of simultaneous users _____ No. of sites _____

	1 site		2 sites		3-5 sites		6-9 sites		10 sites
