Foreword .....		3
1	Scope .....	4
2	Normative references .....	4
3	Terms and definitions, symbols and abbreviations .....	4
3.1	Terms and definitions .....	4
3.2	Symbols and abbreviations .....	4
4	Principle .....	5
5	Apparatus .....	5
5.1	Concrete sleeper or bearer .....	5
5.2	Support .....	5
5.2.1	Reference method .....	5
5.2.2	Alternative method .....	6
5.3	Rail .....	6
5.4	Strain measuring and recording equipment .....	6
5.5	Drop mass .....	6
5.6	Preloading equipment .....	7
6	Test specimens .....	7
6.1	Concrete sleeper or bearer .....	7
6.2	Fastening .....	7
7	Procedure - Reference method .....	8
7.1	Preparation .....	8
7.2	Testing .....	8
7.3	Check on sleeper condition .....	8
7.4	Calculation .....	8
8	Procedure - Alternative method .....	9
8.1	Preparation .....	9
8.2	Testing and checking .....	9
8.3	Calculation .....	9
9	Test report .....	9
Annex A (informative)	Sample calculation .....	11
