| <b>Contents</b>                                                                                                                                   | <b>Page</b> |
|---------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| Foreword .....                                                                                                                                    | iv          |
| Introduction .....                                                                                                                                | v           |
| 1 Scope .....                                                                                                                                     | 1           |
| 2 Normative references .....                                                                                                                      | 1           |
| 3 Terms and definitions .....                                                                                                                     | 2           |
| 4 List of significant hazards .....                                                                                                               | 6           |
| 5 Safety requirements and/or verification of safety measures .....                                                                                | 8           |
| 5.1 General .....                                                                                                                                 | 8           |
| 5.2 Handles and cutting device .....                                                                                                              | 8           |
| 5.3 Starting and idling .....                                                                                                                     | 18          |
| 5.4 Controls .....                                                                                                                                | 18          |
| 5.5 Power drive parts protection .....                                                                                                            | 19          |
| 5.6 Heat protection .....                                                                                                                         | 19          |
| 5.7 Fuel tank .....                                                                                                                               | 20          |
| 5.8 Engine exhaust .....                                                                                                                          | 20          |
| 5.9 Electrical requirements of ignition system .....                                                                                              | 20          |
| 5.10 Vibration .....                                                                                                                              | 21          |
| 5.11 Noise .....                                                                                                                                  | 21          |
| 6 Information for use .....                                                                                                                       | 22          |
| 6.1 Instructions for use .....                                                                                                                    | 22          |
| 6.2 Marking .....                                                                                                                                 | 23          |
| 6.3 Warnings .....                                                                                                                                | 23          |
| 6.4 Durability of marking and warnings .....                                                                                                      | 24          |
| Annex A (informative) Safety instructions .....                                                                                                   | 25          |
| Annex B (informative) Symbols and pictograms .....                                                                                                | 28          |
| Annex C (normative) Vibration .....                                                                                                               | 31          |
| Annex D (normative) Noise test code -- Engineering method (grade 2) .....                                                                         | 39          |
| Annex E (informative) Example of material and construction fulfilling the requirements for an<br>artificial surface for the noise test code ..... | 48          |
| Bibliography .....                                                                                                                                | 50          |
