

DIN EN ISO 11699-1:2012-01 (E)

Non-destructive testing - Industrial radiographic films - Part 1: Classification of film systems for industrial radiography (ISO 11699-1:2008)

Contents	Page
Foreword	3
1 Scope	4
2 Normative references	4
3 Terms and definitions	4
4 Sampling and storage	5
5 Test method	6
5.1 Preparation	6
5.2 Measurement of gradient G	6
5.3 Measurement of granularity D	7
5.4 Measurement of ISO speed S	8
5.5 Other equipment and procedures	9
6 Limiting values for classification	9
Bibliography	12
