

Perinorm information November 2020

fej 2020-10-29

Dear Perinorm user,

Please take note of the following information concerning the current Perinorm:

1. Adjustment of prices for Perinorm as from 1 January 2021

It has been agreed within the Perinorm consortium to increase the annual fee for all Perinorm variants and the export licence by 2 % as from 1 January 2021.

2. Information on specific collections

The following collections have not been updated in this month's production (the production in which we made the last update is given in brackets):

ANSI (2019-03)

New Collection: IETF

The November issue of Perinorm now includes the IETF (Internet Engineering Task Force) collection, dealing with technical developments in the Internet. The collection comprises 3,225 current records.

3. The following document identifiers have been changed:

| AC-CODE | NEW DOCUMENT IDENTIFIER | FORMER DOCUMENT IDENTIFIER | PUB. DATE |
|------------|-------------------------|----------------------------|------------|
